## MEXICO'S NEW PRESIDENT FOLLOWING INAUGURATION

President Carranza Leaving Palace of  
Deputies After Being Sworn  
Into Office.

MEXICO CITY, Aug. 5.—General  
Villa's threat to ally himself with  
Carranza, the new president, unless  
Carranza promises to give him some  
voice in the running of the govern-

ment when the constitutionalists come  
into power, if carried out will do much  
to strengthen the present government  
and to finally dispose of Carranza.  
There is no evidence that Carranza  
will submit to Villa. Envoys from  
Carranza are on their way to Villa's  
headquarters to discuss the matter  
with him.

## HOGS ARE HIGHEST IN N. PORTLAND MARKET

(Courtesy of the Journal.)

PORTLAND, Ore., Aug. 5.—While  
there were no arrivals of swine in the  
North Portland yards overnight, a few  
head were still available and tops  
again sold at \$8.90 to \$9.00. This places  
the Portland market 50c above the  
extreme figure at Chicago for the best  
swine, indicating once again that  
sooner or later supply and demand  
combine to make prices.

There was a very sharp slump in  
the price of hogs at Chicago and  
other eastern points, due entirely to  
the fact that exports of hog products  
are practically prohibited at this time  
because of the European war troubles.  
As soon as this is out of the way there  
are general indications that the big-  
gest demand for many years will be  
shown, which in turn should have a  
most favorable effect upon the swine  
market and its allied industries.

General hog market range:  
Best light, 200 pounds, \$9.00  
Medium, \$8.75 to \$8.90  
Heavy, \$8.50 to \$8.60  
Fat pigs, \$8.00 to \$8.50

Cattle Conditions Steady.

While there was only one load of  
cattle reported in the North Portland  
yards overnight, following the record  
run of Monday, the trend of the trade  
continues steady, with no general  
change in values or conditions.

General cattle market range:  
Select steers, \$7.50 to \$7.60  
Good to prime, \$7.25 to \$7.50  
Good to choice, \$7.00 to \$7.25  
Ordinary to fair, \$6.50 to \$7.00  
Fancy cows, \$6.50 to \$6.75  
Good to prime, \$6.00 to \$6.25  
Ordinary, \$5.50 to \$5.75  
Select calves, \$8.00 to \$8.25  
Heavy, \$7.50 to \$7.75  
Fancy bulls, \$4.50 to \$4.75  
Ordinary, \$4.00 to \$4.25

Sheep Situation Good.

Situation in the sheep trade is good  
with former prices well maintained  
at \$6 for best lambs and other offer-  
ings in proportion. Only one load of  
mutton came forward to the yards  
overnight, making the total livestock  
supply over night but two loads.

General conditions in the sheep  
trade were steady throughout the  
country with little change in the price  
list.

General mutton range:  
Best shorn yearlings, \$4.75  
Shorn wethers, \$4.40 to \$4.55  
Best shorn ewes, \$4.00 to \$4.25  
Best east mountain lambs, \$5.00 to \$5.30  
Valley light young lambs, \$5.50 to \$5.85  
Heavy spring lambs, \$5.00 to \$5.50

Livestock Shippers.

Cattle—Louis Pankey, Roseburg, 1  
load.  
Sheep—R. A. Jackson, George's  
Spur, Wash., 1 load.

STICKS OF DYNAMITE  
AND A LETTER ALSO

MEDFORD, Ore., Aug. 3.—"I am  
standing over six sticks of dynamite;  
will not bother you any more."  
(Signed) MIKE WOMACK.

This brief but startling message  
was received through the mails by  
Mrs. Womack and the police are  
searching the city, while the men in  
charge of the work on the Skidway  
grade where Womack was supposed to  
have been working, are also securing  
the country for some trace of the  
missing man.

Womack is a prominent mining lo-  
cator and all around character in  
Jackson county, and the city seems  
pretty well divided between those who  
believe Mike is dead and those who  
believe he is up to another one of his  
old time tricks.

Illinois Honors Gen. Logan.

MURPHYSBORO, Ill., Aug. 3.—  
General John A. Logan, next to Gen-  
eral U. S. Grant, the most illustrious  
war son Illinois ever produced, was  
honored here today with the erection  
of a handsome stone shaft at his  
birthplace, and the formation of a  
memorial association to secure state  
and federal appropriations for erect-  
ing a monument and a memorial hall  
on the same spot at a later date.  
General James Black, of Chicago, a  
war comrade of General Logan, was  
made president of the memorial as-  
sociation, and men of national promi-  
nence from all sections of the United  
States sent in their names to be en-  
rolled as subscribers and members.

Girl in Saddle 32 Days.

FAIRBANKS, Alaska, Aug. 3.—  
Miss Grace Carter, of Hood River,  
Ore., served as cowpuncher in bring-  
ing a herd of Oregon cattle here for  
F. Sharkey of the Portland Union  
Stockyards.

The girl was in the saddle 32 days,  
riding men drive the herd from the  
Alaska coast more than 300 miles.  
One other woman, Mrs. H. N. Ford,  
was in the party. She rode in the  
mess wagon. Miss Carter's endurance  
and courage attracted much attention  
here.

## ENGLISH WILL TAKE RISK ON GRAIN FROM THE ATLANTIC COAST

CHICAGO, Ill., Aug. 5.—Two dis-  
tinct features were noticeable in  
wheat at the close, when December  
and May were about best point for  
the day at about 2 1/2c net advance  
over Monday's close, while the Sep-  
tember was 1c under best point of  
morning.

The late action in the market was  
explained by some selling pressure in  
September, due to the large run of  
over 1000 cars to this market, cou-  
pled with the unusual money situa-  
tion, while the latter months felt the  
bullish effect of prospective improve-  
ment in conditions for exporters.

In the absence of selling pressure  
and helped by the news from Wash-  
ington pertaining to the registry bill,  
and the cable news from the other  
side indicating that the British gov-  
ernment will assume the war risks  
on open accounts for Atlantic ship-  
ments to English ports, the market  
shot up quickly to moderate volume  
of trade.

Two hours later prices were back  
to 37 1/2c, September, 32c for De-  
cember and 38 1/4c for May. Then  
followed the closing strongly rally for  
the late months, helped by firmness  
in the northwest and by the action  
in corn.

Cash sales of wheat were limited to  
10,000 bushels to mills. The big  
millers were reported active buyers of  
wheat in the open Minneapolis market  
early in the day. World's visible  
stocks, according to Bradstreet's in-  
creased \$800,000 bushels for the  
week. War developments are closely  
watched by the trade, but they can  
have little influence on prices until  
there is an outlet for the accumulat-  
ing stocks.

Wheat.  
Sept.—Open 36 1/4; high, 36; low,  
35 1/4; close, 35 1/4.  
Dec.—Open 31 1/4; high, 31 1/4; low,  
31 1/4; close, 31 1/4.  
May.—Open, 37; high, 37; low, 37;  
close, 37 1/4.

PORTLAND, Ore., Aug. 5.—While  
some of the big mills in the north  
have been compelled to enter the  
market here for wheat because of  
their very limited holdings, there is  
nothing doing at present for foreign  
account.

The fact that the banks will not  
advance money on bills of lading has  
effectively stopped all transactions  
for export and the entire trade is  
therefore marking time and awaiting  
results of the European situation.

At this time it looks as if that not-  
withstanding the present embargo on  
grain shipments to Europe, the season  
will be a most successful one for  
American producers. While it is true  
that Europe will have sufficient grain  
of its own to use during the next few  
months, after that it is more than  
probable that the biggest demand in  
history will be forced.

At the present time quotations are  
scarcely established although for  
some small lots buyers here have been  
reselling at mills around 84c track for  
club or practically the same price as  
they paid producers previous to the  
foreign embargo on cereals.

The hay market continues some-  
what demoralized as a result of the  
insistent flooding of the trade here  
with consignments from Willamette  
valley points. Owing to the very lib-  
eral offerings some of the stock is  
sacrificed at prices lower than the  
regular market.

## SALTS IF KIDNEYS OR BLADDER BOTH R

HARMLESS TO FLUSH KIDNEYS  
AND NEUTRALIZE IRRITAT-  
ING ACIDS

Kidney and bladder weakness re-  
sult from uric acid, says a noted  
acid from the blood and pass it on  
to the bladder, where it often re-  
mains to irritate and inflame, caus-  
ing a burning, scalding sensation, or  
setting up an irritation at the neck  
of the bladder, obliging you to seek  
relief two or three times during the  
night. The sufferer is in constant  
dread, the water passes sometimes  
with a scalding sensation and is very  
profuse; again, there is difficulty in  
voiding it.

Bladder weaknesses, most folks  
call it, because they can't control  
urination. While it is extremely pain-  
ful, this is really one of the most  
simple ailments to overcome. Get  
about four ounces of Jad Salts from  
your pharmacist and take a table-  
spoonful in a glass of water before  
breakfast, continue this for two or  
three days. This will neutralize the  
acids in the urine so it no longer is  
the source of irritation to the blad-  
der and urinary organs which then  
act normally again.
